The Honorable Mayor and Members of the
Town Commission of the Town of Manalapan, Florida

Commissioners:

In accordance with the requirements of State Statutes and Article IV, Section 4.03 (f)) of the Manalapan Town Charter, the proposed budget for the fiscal year beginning October 1, 2025, and ending September 30, 2026, is herewith submitted for your review, consideration, and action.

INTRODUCTION

This document is the proposed fiscal plan for the operation of the Town of Manalapan during the next fiscal period. The budget is presented to the Town Commission in a format that substantially conforms to the standards of public financial presentations known as Generally Accepted Accounting Principles (GAAP) promulgated by the National Council of Government Accounting. It is intended that this presentation, for review of the budget by the Town Commission, presents clearly the operations of the Town and the use of tax dollars and other revenues.

The annual operating budget is a basic fiscal document and once adopted, will become the fiscal work program for our community and provide the basis for carrying out the Town Commission's decisions on policies and programs for the improvement, growth, and orderly maintenance of the Town of Manalapan.

BUDGET PREPARATION

In assembling and formalizing this document, the Town Manager and Finance Administrator sought input from town staff and Commissioners. The process of preparing the annual budget begins in April, which involves the compilation and gathering of information. Ideas for new and improved services are received from residents, clients (i.e.: contractors), elected officials, and staff throughout the year. Each department head assesses current and prior year levels of service and then calculates the costs of providing existing service levels as well as costs of providing improved levels of service. The department heads then submit their budget requests to the Town Manager and priorities are set. These priorities are balanced with anticipated resources to result in the Manager's proposed budget.

BUDGET SUMMARY

The proposed 2025-26 General Fund budget is **\$10,219,606**, which represents a **\$1,102,814 increase** from the 2024-25 budget. The Library Fund budget is **\$97,680** which represents a **\$4,680 increase** from the 2024-25 budget. The Utility Fund budget is **\$8,386,243** which represents a **\$1,651,436 decrease** from the 2024-25 budget. The Town's assessed valuation for FY 2025-26 increased by 7.58% to **\$2,420,648,501** from **\$2,250,046,174** in FY 2024-2025. The following represents a summary of the General Fund Balance.

<u>Year</u>		<u>General Fund Balance at Year End</u>
9/30/20	Restricted	\$1,457,697
	Unassigned	\$3,274,949
9/30/21	Restricted	\$1,854,686
	Unassigned	\$3,274,949
9/30/22	Restricted	\$2,588,628
	Unassigned	\$4,655,712
9/30/23	Restricted	\$2,698,109
	Unassigned	\$5,029,633
9/30/24	Estimated Restricted	Pending Audit Completion
	Estimated Unassigned	Pending Audit Completion

FIRE/RESCUE

The fiscal impact to this year's budget for fire/rescue services will be **\$2,222,066**. The interlocal agreement with the County provides for the annual fee to be calculated using the lesser of two methodologies. The South Palm Beach property value multiplied by the County's MSTU rate, or one-half of the full cost method. The South Palm Beach property value times the County's MSTU rate has been used for the 2025-26 calculation. The current interlocal agreement was signed with Palm Beach County in May 2024 and extends their services through 09/30/2034.

POLICE

As the Police Department enters a new chapter under its newly appointed Chief in January 2025, a departmental restructuring has been implemented to further enhance operational effectiveness. This year's budget includes four (4) sergeant positions, with one sergeant assigned to each shift. Additionally, the department added a second lieutenant position that focuses on administrative operations. These roles aim to improve leadership consistency, strengthen oversight and accountability, and provide greater support to our officers. These changes are vital to maintaining the high standards of public safety expected in our community. The police department's budget

supports the Chief, two (2) Lieutenants, four (4) Sergeants, eight (8) full-time officers, four (4) part-time officers, and one (1) Administrative Assistant.

SECURITY

The Commission has opted to continue the security guard program for the upcoming year, with funding allocated to retain the current service provider. The budget includes \$186,600 for 24/7 security guard coverage at the guard house, ensuring consistent protection.

CAPITAL IMPROVEMENTS/EQUIPMENT

This section will provide highlights of the various capital improvements and equipment scheduled in the General Fund budget. The General Fund capital budget for 2025-26 is **\$796,542** which represents a **\$289,409 increase** from the 2024-25 capital budget. The following summary outlines some of the capital equipment and improvements included within this budget: with the implementation of a new vehicle take-home program - four (4) police vehicles with equipment \$294,542; one (1) side-by-side to assist with beach clean-ups \$15,000; Guard House Remodel \$150,000; New License Plate Readers (LPR's) & radios \$60,000; Lands End Road Traffic Congestion Mitigation \$50,000; and iPad's for Commissioners \$10,000.

LIBRARY

The library budget anticipates the Lecture Series will continue to expand the pool of speakers. The yoga community event programs will continue this year. This budget proposes that the Town's inter-fund transfer level will increase to **\$67,000**. The taxpayers of the Town save a substantial amount in county Library taxes by having the J. Turner Moore Library.

UTILITY DEPARTMENT

The total Utility Fund budget is **\$8,386,243** which represents a decrease of **\$1,651,436** from the 2024-25 budget. The Utility Fund is a proprietary fund, and its revenues and expenses are generated from services provided on a user-charge basis to the public and not funded through Ad Valorem taxes. The capital improvements/asset acquisition budget is in anticipation of continued sewer and water distribution improvement projects in 2025-26. This year we are remodeling and reroofing the office building at the water plant that has not been in operation for decades, providing the water plant staff with a professional workspace outside of the interior of the water plant operations room.

HIGHLIGHTS OF GENERAL FUND BUDGET

- PD and Dispatch wages that reflect the adjustments recommended in the salary study including the 7% raises required under the 2023–2026 PBA Contract..... \$2,080,811
- Fire Rescue Service provided by PBC..... \$2,222,066
- Inhouse Building Official and Permit Technician; Plan Review,

Inspection and Code Enforcement Officer Services.....	\$577,415
• Professional Fees.....	\$265,140
• Insurance (premiums for liability, property and Law Enforcement Liability.....	\$241,385
• Security guard contract.....	\$186,600
• Legal Services including labor attorney and litigation.....	\$124,500

REVENUES

The anticipated General Fund revenues for the fiscal period are summarized on the attached pages so that the Town Commission can readily see the various sources of income for the Town. Total anticipated General Fund revenues are **\$10,219,606**. This represents an increase in budgeted revenues from 2024-25 of **\$1,102,814**. The unassigned fund balance continues to remain strong.

The **\$7,022,302** in tax revenues generated represents collecting 96.7% of the Ad Valorem taxes levied.

If the Town adopts the proposed millage rate of **3.0000** the Ad Valorem proceeds would be **\$7,022,302**. Please note the revenue projections of this proposed budget are based on the millage rate of **3.0000**. This represents no change in the millage rate from 2024-25 but does reflect a tax increase based on TRIM.

EXPENDITURES

The assessment of budgetary needs is an ongoing process that encompasses both long and short-term necessities. These needs are then evaluated in conjunction with desired service levels, long and short-term policy objectives, Town Commission directives and limitations of revenue sources. Balancing these competing needs makes up the bulk of the budget planning process.

Necessities such as the delivery of basic services and insurance coverage take priority over other, less critical needs. Moreover, the Town continues to address issues critical to improving the quality of life for our residents. As an organization with a concierge level of government service, we seek the highest levels of service, from the most qualified personnel, with the best equipment. Budgetary needs are constantly prioritized, and choices are made within the framework of established policies, Town Commission direction and limited resources.

Staff believe the expenses represented in this budget are necessary to preserve the Town's assets and to provide the same level of service our residents are accustomed to.

The proposed General Fund budget plans for operating expenditures of **\$9,356,064** and capital expenditures and transfers of **\$863,542** during the 2025-26 fiscal year. This represents an increase in operating expenditures of **\$800,711** from the 2024-25 budget. Capital expenditures increased by **\$289,409** transfers decreased by **\$835,919** from the 2024-25 budget.

PERSONNEL

Staffing levels provide the highest level of service to the community. A 7% raise was agreed to during the 2023 PBA negotiations. A three-year PBA contract is in effect through 09/30/2026. The Town Commission directed staff to conduct a salary study on the basis of evaluating salaries from neighboring municipalities with those in the Town. The Town hired a third-party firm to conduct the study. Data received indicated several positions, (particularly within the police department) were under market value and adjustments have been made in this budget based on the recommendations presented to the Town Commission in May 2025. The Employee Service Award program is being continued in this budget year. The program awards employees for their longevity of service to the Town. The program recognizes both full and part time employees for their dedication and many years of service to the Town. An employee is awarded 5, 10, 15 and 20 years of service.

SUMMARY

The primary objective of the Town Manager and staff in the preparation of this proposed document is to present to the Town Commission a budget plan which is within the legal framework established by state law and town charter and addresses the needs of the community for the next fiscal year. The budget document is intended to provide the Town Commission, residents, and staff with information about the Town's fiscal responsibilities in providing quality services.

ACKNOWLEDGEMENTS

A document of this scope is the result of many hours of preparation by many people. Special recognition goes out to Finance Administrator, Ashley Watson, Town Clerk, Erika Petersen, Police Chief, Jeffrey Rasor, Building Official, Jacek Tomasik and Utility Director, Brent Watson for their assistance in the preparation of this document.

Respectfully submitted,

Eric B. Marmer, MPA

CERTIFICATION OF TAXABLE VALUE INSTRUCTIONS

DR-420
R. 5/12
Page 3

"Principal Authority" is a county, municipality, or independent special district (including water management districts).

"Taxing Authority" is the entity levying the millage. This includes the principal authority, any special district dependent to the principal authority, any county municipal service taxing unit (MSTU), and water management district basins.

Each taxing authority must submit to their property appraiser a DR-420 and the following forms, as applicable:

- DR-420TIF, Tax Increment Adjustment Worksheet
- DR-420DEBT, Certification of Voted Debt Millage
- DR-420MM-P, Maximum Millage Levy Calculation - Preliminary Disclosure

Section I: Property Appraiser

Use this DR-420 form for all taxing authorities except school districts. Complete Section I, Lines 1 through 9, for each county, municipality, independent special district, dependent special district, MSTU, and multicounty taxing authority. Enter only taxable values that apply to the taxing authority indicated. Use a separate form for the principal authority and each dependent district, MSTU and water management district basin.

Line 8

Complete a DR-420TIF for each taxing authority making payments to a redevelopment trust fund under Section 163.387 (2)(a), Florida Statutes or by an ordinance, resolution or agreement to fund a project or to finance essential infrastructure.

Check "Yes" if the taxing authority makes payments to a redevelopment trust fund. Enter the number of DR-420TIF forms attached for the taxing authority on Line 8. Enter 0 if none.

Line 9

Complete a DR-420DEBT for each taxing authority levying either a voted debt service millage (s.12, Article VII, State Constitution) or a levy voted for two years or less (s. 9(b), Article VII, State Constitution).

Check "Yes" if the taxing authority levies either a voted debt service millage or a levy voted for 2 years or less (s. 9(b), Article VII, State Constitution). These levies do not include levies approved by a voter referendum not required by the State Constitution. Complete and attach DR-420DEBT. Do not complete a separate DR-420 for these levies.

Send a copy to each taxing authority and keep a copy. When the taxing authority returns the DR-420 and the accompanying forms, immediately send the original to:

Florida Department of Revenue
Property Tax Oversight - TRIM Section
P. O. Box 3000
Tallahassee, Florida 32315-3000

Section II: Taxing Authority

Complete Section II. Keep one copy, return the original and one copy to your property appraiser with the applicable DR-420TIF, DR-420DEBT, and DR-420MM-P within 35 days of certification. Send one copy to the tax collector. "Dependent special district" (ss. 200.001(8)(d) and 189.403(2), F.S.) means a special district that meets at least one of the following criteria:

- The membership of its governing body is identical to that of the governing body of a single county or a single municipality.
- All members of its governing body are appointed by the governing body of a single county or a single municipality.
- During their unexpired terms, members of the special district's governing body are subject to removal at will by the governing body of a single county or a single municipality.
- The district has a budget that requires approval through an affirmative vote or can be vetoed by the governing body of a single county or a single municipality.

"Independent special district" (ss. 200.001(8)(e) and 189.403 (3), F.S.) means a special district that is not a dependent special district as defined above. A district that includes more than one county is an independent special district unless the district lies wholly within the boundaries of a single municipality.

"Non-voted millage" is any millage not defined as a "voted millage" in s. 200.001(8)(f), F.S.

Lines 12 and 14

Adjust the calculation of the rolled-back rate for tax increment values and payment amounts. See the instructions for DR-420TIF. On Lines 12 and 14, carry forward values from the DR-420TIF forms.

Line 24

Include only those levies derived from millage rates.

General Instructions

Each of the following taxing authorities must complete a DR-420MM-P.

- County
- Municipality
- Special district dependent to a county or municipality
- County MSTU
- Independent special district, including water management districts
- Water management district basin

Voting requirements for millages adopted by a two-thirds or a unanimous vote are based on the full membership of the governing body, not on the number of members present at the time of the vote.

This form calculates the maximum tax levy for 2024 allowed under s. 200.065(5), F.S. Counties and municipalities, including dependent special districts and MSTUs, which adopt a tax levy at the final hearing higher than allowed under s. 200.065, F.S., may be subject to the loss of their half-cent sales tax distribution.

DR-420MM-P shows the preliminary maximum millages and taxes levied based on your proposed adoption vote. Each taxing authority must complete, sign, and submit this form to their property appraiser with their completed DR-420, Certification of Taxable Value.

The vote at the final hearing and the resulting maximum may change. After the final hearing, each taxing authority will file a final Form DR-420MM, Maximum Millage Levy Calculation Final Disclosure, with Form DR-487, Certification of Compliance, with the Department of Revenue.

Specific tax year references in this form are updated each year by the Department.

Line Instructions

Lines 5-10

Only taxing authorities that levied a 2023 millage rate less than their maximum majority vote rate must complete these lines. The adjusted rolled-back rate on Line 10 is the rate that would have been levied if the maximum vote rate for 2022 had been adopted. If these lines are completed, enter the adjusted rate on Line 11.

Line 12

This line is entered by the Department of Revenue. The same adjustment factor is used statewide by all taxing authorities. It is based on the change in per capita Florida personal income (s. 200.001(8)(i), F.S.), which Florida Law requires the Office of Economic and Demographic Research to report each year.

Lines 13 and 14

Millage rates are the maximum that could be levied with a majority or two-thirds vote of the full membership of the governing body. With a unanimous vote of the full membership (three-fourths vote of the full membership if the governing body has nine or more members) or a referendum, the maximum millage rate that can be levied is the taxing authority's statutory or constitutional cap.

Line 16

Check the box for the minimum vote necessary at the final hearing to levy your adopted millage rate.

Line 17

Enter the millage rate indicated by the box checked in Line 16. If the proposed millage rate is equal to or less than the majority vote maximum millage rate, enter the majority vote maximum. If a two-thirds vote, a unanimous vote, or a referendum is required, enter the proposed millage rate. For a millage requiring more than a majority vote, the proposed millage rate must be entered on Line 17, rather than the maximum rate, so that the comparisons on Lines 21 through 25 are accurate.

REVENUE NOTES/LINE ITEM JUSTIFICATIONS

Ad Valorem Tax: The Certificate of Taxable Value (DR420) indicates a current gross taxable value (for operating purposes) of \$2,420,648,501. This is an increase of 7.58% from the prior year's gross taxable value of \$2,250,046,174. The projected revenue for FY 2025-26 is based on a proposed millage rate of **3.0000**. Budgeting 96.7% of the millage rate will generate an estimated **\$7,022,302.00**.

Local Option Gas Tax: The State provided an estimate for budgetary purposes which is an increase from the prior year to **\$22,000**.

Florida Public Utilities: Staff recommends budgeting **\$230,000** based on projected numbers.

Utility Tax: The Town levies a 10% tax on all sales of electricity and metered gas. Based on historical collections the following is recommended:

- Florida Power & Light - **\$280,000**
- Gas/propane providers is increased to-**\$ 14,562**

Local Communications Service Tax: Based on the state's projected revenues, the estimate for next year is **\$15,000**

Business Tax Receipt: This line item is split between the Town's and the County's revenues. Staff projects the Town's revenues to be **\$30,000** and the County's to be **\$3,000**.

Building Permits: Based on anticipated new building, historical collected revenues the staff recommends increasing this to **\$2,214,157**.

Other Fees/Permits: This line item is for fees which do not clearly fall into the Business Tax Receipt or Building Permit category but are recurring permits or fees. Examples include fees for variances, special exceptions and paver agreements. Based on historical collected revenues, staff recommends this be budgeted at **\$62,000**.

Building Plan Review Fee: This fee represents the additional plan review fees for building plans that were previously submitted and reviewed with the initial building permit and require changes. Staff recommends budgeting **\$7,500**.

State Revenue Sharing: The State provided an estimate for budgetary purposes, which is an increase from the prior year to **\$12,850**.

Alcoholic Beverage: Based on Town businesses that purchase beverage licenses from the State. Staff recommends budgeting **\$5,500**.

One-Half Cent Sales Tax: The State's estimate accuracy has not always been reliable due to fluctuations in the economy. The State's estimate decreased from the prior year to **\$30,000**.

Motor Fuel Tax Rebate: This is a State reimbursement based on our gasoline purchases and is paid quarterly. Recommend budgeting **\$4,500**.

Intergovernmental Miscellaneous: The Town receives quarterly revenue sharing from the Solid Waste Authority. Staff recommends budgeting **\$500**.

Discretionary 1 cent Sales Tax: Palm Beach County residents voted to increase the sales tax by 1% effective January 1, 2017. These funds are restricted and are to be used for infrastructure improvements and capital. The State's estimate decreased from the prior year to **\$42,000**.

Fines & Forfeitures: Recommend funding **\$7,235** for the Palm Beach County fines line item.

Investment Interest: Based on the projected level of undesignated fund balance and interest rates currently received by Seacoast Bank, next fiscal year revenues are projected at **\$45,000**.

Miscellaneous: Consists of revenue not classified elsewhere including a utility credit of \$27,000 from Palm Beach Fire Rescue. Recommend budgeting **\$65,000**.

Sale of Surplus Equipment: This item represents the sale of a vehicle. Recommend **\$6,000**.

Reimbursement for Police Extra Duty: Revenue anticipated for the contract of police services. Recommend budgeting **\$15,000**.

Dispatch Fee: Utility Department contribution toward the dispatch service. Dispatch answers the Utility Department telephone line between 4 p.m. and 12 a.m. and on weekends for water service reports and dispatching emergencies to the water department. Recommend this line item remain at **\$2,000**.

Water Management Fee: We established a fee on the basis of a rental amount for office space and equipment as well as an amount toward the Town Manager's salary, Town Clerk's salary, Administrative Assistant and Maintenance salary for administrative duties and responsibilities that pertain to the Utility Department. Recommend this line item remain at **\$60,000**.

Wastewater Administration: Based on the same concept as the Water Management Fee, staff recommends this line item be budgeted at **\$18,000**.

Information Technology

*Adopted Budget
Fiscal Year 2025-2026*

INFORMATION TECHNOLOGY SYNOPSIS

This department is responsible for the management and maintenance of the information systems infrastructure and technology resource requirements. Technology is used to effectively promote the Town's messages to its citizens. Technology resource requirements for the Town are already at a high level and will continue to improve.

Police vehicles are equipped with laptop computers and use air cards for wireless connectivity to promote efficient operations by reducing the need to do paperwork in the office and allowing officers to remain on the road and more visible within the community.

An increased number of cameras throughout the Town in addition to the future installation of the encrypted communication system in dispatch will assist with daily operations and surveillance.

All services provided by Information Technology are delivered efficiently and effectively, by trained and courteous professionals.

The detailed justification is included following the budget summary.

PUBLIC SAFETY

Adopted Budget
Fiscal Year 2025-2026

POLICE DEPARTMENT SYNOPSIS

The Manalapan Police Department remains steadfast in its commitment to ensuring the safety and well-being of everyone who lives in or visits our community. Our mission is rooted in service, and our vision is to build a safer community through the guiding principles of **C.A.R.I.N.G.**:

- **Community** – Fostering strong and meaningful partnerships with those we serve
- **Accountability** – Upholding the highest standards in everything we do
- **Respect** – Treating every individual with dignity and fairness
- **Integrity** – Acting with honesty and transparency
- **Noble Purpose** – Serving with dedication and honor
- **Growth** – Committing to continuous improvement in our service and relationships

At the core of our department's philosophy is a balanced approach of community policing and intelligence-led policing.

Community policing means actively engaging with our residents, understanding their needs, and working together to solve problems. It's about being visible, accessible, and responsive — not just during emergencies, but every day.

Intelligence-led policing leverages data, technology, and information-sharing with our neighboring agencies. This proactive approach allows us to identify trends, anticipate criminal behavior, and intervene before crimes occur. Through these collaborations, we create a safer environment for all.

These two strategies — working hand-in-hand — enable us to protect and serve effectively. Every officer in this department understands that we are always **C.A.R.I.N.G. for OUR TOWN** — not just as law enforcement professionals, but as neighbors, partners, and fellow members of this community.

The department staffing includes the Chief, two (2) Lieutenants, four (4) Sergeants, eight (8) full-time officers, four (4) part-time officers, four (4) full-time dispatchers, three (3) part-time dispatchers and one (1) administrative assistant. The department's primary responsibilities include, but are not limited to, uniformed patrol, beach patrol, marine patrol, criminal investigations, traffic control, code enforcement, special events staffing, records retention, first responder medical treatment and minimal public works tasks. The public safety dispatch center is a fully functional 911 public safety answering system and limited real time crime center.

The detailed justification is included following the budget summary.

EXPENSE NOTES/LINE-ITEM JUSTIFICATIONS

POLICE DEPARTMENT

Salaries: Funds provide for the Police Chief, two (2) Lieutenants, four (4) Sergeants, eight (8) full-time officers, four (4) part-time officers, and one (1) administrative assistant. Dispatch Salaries: provide for the salaries for four (4) full-time dispatchers and three (3) part-time dispatchers. The PBA Contract renewed on 10/01/23. The 2025-26 budget reflects a 7% raise for employees as well as recommended salary adjustments from data received from the salary study.

Overtime: Funds provide for overtime pay for all Police and dispatch personnel whose workweek exceeds the mandated hours per work cycle. Overtime pay is used to cover shifts when personnel call out sick, go on vacation or are out of service at training. It is recommended that this line item be **\$72,000**.

FDLE Incentive Pay: Funds provide for FDLE mandated payments to each officer based on schooling and education. As Police Department personnel increase their education in recognized courses, they become eligible for incentive pay up to \$1,500 per person per year. Based on our current staff, funding is anticipated to be **\$10,000**.

In-Service Training: Funds provide for monthly law enforcement training for all Police Department officers. Each employee (excluding Dispatchers) will participate in in-service training provided by the Palm Beach Sheriff's Department. Staff recommends this line be budgeted at **\$15,000**.

Gas Allowance: With the implementation of the vehicle take-home program, full-time Police officers who are awaiting vehicle assignment will receive a \$200 monthly gas stipend which was implemented with the PBA contract. Recommend funding \$12,800.

FIRE/ RESCUE

Fire/Rescue Services: Funds have been budgeted in the amount of **\$2,222,066** to provide for contracting with Palm Beach County for Fire/Rescue Services. The interlocal agreement provides for the fee to be calculated using the lesser of two methodologies. South Palm Beach property value times the MSTU millage rate, or one-half of the full cost methodology. One-half of the full cost methodology would be \$3,195,294. The South Palm Beach property value times the MSTU millage rate is being used for 2025-26. This reflects no increase from the 2025-26 charge due to the decrease in South Palm Beach's property values and the proposed MSTU.

WATER UTILITY

*Adopted Budget
Fiscal Year 2025-2026*

UTILITY FUND REVENUE OVERVIEW

The Town maintains and operates a Water Utility System, which is funded by utility rate revenue for water and wastewater usage and various user charges for related services. Debt service and operating expenses for the Water Utility System are paid strictly from utility revenue and user charges. Enterprise Funds are used to account for all activities of the Water Utility System. The enterprise fund is a “stand-alone” set of accounts. The anticipated revenues levied on the users of its service, and the miscellaneous user charges total \$2,955,750. These revenues include charges to the residents and businesses in Manalapan. The Utility budget also includes several capital projects \$4,657,065.

REVENUE NOTES/LINE-ITEM JUSTIFICATIONS

Water Sales: Sales estimates are based on the proposed rate increase provided by the Water Rate Study completed in FY 2025. Estimated water sales revenue to be **\$2,593,000**.

Wastewater Sales: This income is generated only through wastewater use, which is determined by the water meter. The La Coquille Villas, Eau Palm Beach, Plaza Del Mar, and the homes on Ocean Lane are the only contributors. Revenues are based on the proposed rate increase provided by the Water Rate Study completed in FY 2025. Estimated income is **\$326,000**.

Connection Charges: These are charges for the installation of water meters. Recommend funding this line item at **\$10,000**.

Other Income: Revenue includes repairs out of the ordinary where customers must pay. (Temporary turn-offs and turn-ons, negligent destruction of Town property, estoppel fees, etc.) The Town is also providing temporary water service to Lantana Customers at the Carlisle, Lantana Beach and the Preserve Recommend this line item be budgeted at **\$22,000**.

Fire Main: Revenues are based on annual charges to commercial customers for their fire main. Recommend funding **\$500**.

Late Fees/Penalties: Line item produced by Utility billing system for late payments. Recommended funding for this line is **\$4,250**.

Interest: Interest generated by our renewal and replacement account, which is used for the replacement of water lines, refurbishment of tanks, water plant upgrades, etc. Based on the projected level of reserves next fiscal year and the current interest rate, revenues are projected at **\$15,795**. Interest from all interest-bearing accounts is returned to that fund and is a part of the formula used in projecting future balances.

Other Non-Operating Sources and Reserves: This funding will come from funds on hand, loan and grant funds for capital improvements to the transmission lines. Staff recommends funding at **\$1,002,065**.

WATER DEPARTMENT EXPENSE OVERVIEW

This department monitors the water system to ensure that safety standards, treatment standards and water quality standards are being met for the water supply system. Their responsibilities include reading meters, customer billing, water treatment, testing, distribution and repairs and maintenance of the system.

EXPENSE NOTES/LINE-ITEM JUSTIFICATIONS

WATER DEPARTMENT

Regular Salaries: The 2025-26 budget reflects a 7% raise for employees as well as recommended salary adjustments from data received from the salary study. Funds provide salaries and on-call pay for one (1) Utility Director, four (4) full-time operators, one (1) full-time distribution operator, four (4) part-time operators and a percentage of the Finance Administrator's salary, and the Management Analyst's salary as they assist with customer service inquiries for the utility department.

Overtime: Compensation for non-exempt employees that exceed 40 hours per week. The plant is manned sixteen hours per day; after hour emergencies at the plant, and water line breaks account for the largest portion of this expense. Recommend this line be funded at **\$3,000**.

Retirement Contribution: The Town Commission moved from a defined contribution 401 plan to a defined benefit local pension plan on January 1, 2019. The Actuary develops the cost annually. The employee's contribution is 7%. The Town's contribution will fluctuate annually. Recommend line-item funding at **\$92,061**.

Life & Health Insurance: Funds provide for health, dental and life insurance benefits for six (6) employees. The Town currently pays 100% of the employees' health coverage cost and contributes 50% to the dependent health coverage costs. Recommend funding this line item at **\$135,065**

Workers' Compensation: Funds provide for Workers' Compensation insurance for all personnel. Recommend this line item be budgeted at **\$12,380**.

457/401A Match Program: The Commission implemented a match program for all full-time employees. The Town will match the contribution the employee makes based on a tiered \$5,000-\$10,000 annual program. Staff recommends funding **\$25,000**.

Professional Services: Engineering cost for Mock Roos and Engenuity Group, Inc. along with the cost associated with other professionals that are used throughout the year. Also, the services of professionals will be used to evaluate current infrastructure to consider making improvements. Recommend line-item budget be **\$562,640**.

Legal Services: Funds provide for legal services of the Town Attorney and other legal services related to personnel matters, etc. Bond counsel will be used to evaluate the funding options for infrastructure improvements being considered. Funding recommended at **\$7,500**.

Consulting/Software Maintenance: Funds are provided for annual software maintenance/license fees for the utility and billing software and operating system database; SCADA support; additional network support, maintenance and training, Employee Assistance Program (EAP), annual software maintenance/license fees (BS&A) financial, payroll and accounts payable financial. Recommend funding **\$32,460**.

Employee Service Award: This program awards employees for their longevity of service to the Town. The program recognizes both full and part time employees for their dedication and many years of service. Funding is recommended at **\$5,000**.

Accounting/Audit Fee: Funds provide for the Utility Fund portion of the Annual Audit and GASB pronouncement requirements. A total of **\$12,700** is requested.

Lab Testing: Laboratory testing for wells, nitrate, ECR II, MWW, HAA/THM, Bac-T's, in-organics, injection well monitoring and testing due to water breaks. All testing and testing schedules are required by numerous State agencies. Recommend funding **\$47,265**.

Telephone/Data Line: Funds budgeted cover proportionate costs for AT&T telephone, Comcast internet and long-distance. Funding requested at **\$28,000**.

Cell Phone: This includes cell phones for six (6) employees. Funding requested at **\$3,612**.

Electric Service: This line item has been estimated based on consumption in 2024-25 along with an estimate of the reduction in consumption with the customer base being reduced. Recommend funding **\$169,800**.

Solid Waste Fees/Misc.: Fees represent the dumpster rental at the plant along with annual disposal fees cost. Funding to be **\$11,275**.

Repairs & Maintenance: This line item as well as Operating Supplies has the greatest potential for fluctuation due to the possibility of major unanticipated expenses. For example, the replacement of a single motor could account for as much as \$10,000. Often the pumps and motors can be repaired but are still very costly when necessary. Another example is a repair to the SCADA system alone which can cost \$5,000. Funding proposed at **\$48,600**.

Repairs & Maintenance-Vehicles: Funds have been budgeted to cover the cost of minor vehicle repairs, oil changes and tire rotation, etc. As the vehicles age, additional repairs will be required. Propose funding increase to **\$8,920**.

Postage: As a result of increased postage costs, the budget has been increased to **\$3,780** to cover the cost of mailing monthly billings, annual CCR mailings, federal express costs, etc.

Rental/Lease: Funds are provided for the rental of a postal meter, annual bill folding machine contract, propane tank rental, and lift for ground storage tank, tools and miscellaneous equipment. Staff recommends funding **\$2,315**.

Insurance: Funds provide for insurance premiums for auto, property, general liability, and POL insurance. Funding is proposed at **\$219,240**.

Printing: Funding for the printing of water bills, envelopes and the CCR report. Proposed funding be increased to **\$4,500**.

Promotional Activities: Funds provide for employee awards and recognitions throughout the year. Recommend funding at **\$250**.

Miscellaneous: This line item provides for miscellaneous expenses not included elsewhere in the budget. Recommend funding **\$2,000**.

Small Equipment: This line item recommended by auditors to purchase and account for items such as lab equipment, small tools that fall below the capital purchase threshold. Staff recommends increasing funding to **\$26,630**.

Legal Ads & Others: Advertising of ordinances, resolutions, and employment, etc. Recommend funding **\$3,000**.

Water Management Fee: This fee is the Utility's contribution to the town to cover office space, town management staff, use of office equipment and other expenses incurred by the Town as a result of operating a Utility Department. Staff recommends funding remain at **\$60,000**.

Office Supplies: This item represents all office supplies needed to operate the department. Staff recommends funding at **\$3,200**.

Operating Supplies: This line item as well as Repairs & Maintenance has the greatest potential for fluctuation due to the possibility of major unanticipated expenses. Samples of operating supplies covered are meter and piping supplies, paper goods and Home Depot purchases. Recommend line item be funded at **\$54,125**.

Chemicals: This account reflects the costs of all chemicals necessary in the operation of the plant. WASTEWATER DEPARTMENT

Salaries: The 2025-26 budget reflects a 7% raise for employees as well as recommended salary adjustments from data received from the salary study. Funds provide salaries and on-call pay for one (1) Utility Director, four (4) full-time operators, one (1) full-time distribution operator, four (4) part-time operators and a percentage of the Finance Administrator's salary, and the Management Analyst's salary as they assist with customer service inquiries for the utility department.

Retirement Contribution: The Town Commission moved from a defined contribution 401 plan to a defined benefit local pension plan on January 1, 2019. The Actuary develops the cost annually. The employee's contribution is 7%. The Town's contribution will fluctuate annually. Recommend line-item funding at **\$4,500**.

Professional Fees: These funds are provided for projects that require outside consultants such as engineering services, planning services, feasibility studies, etc. Funding recommended at **\$135,000**.

Legal Services: Funds provide for legal services of the Town Attorney. Staff recommends funding at **\$80,000**.

Accounting/Audit Fee: Funds provide for the Utility Fund portion of the Annual Audit. Remaining funds are provided in the event the Town needs additional accounting services/professional advice outside of the annual audit; a total funding to be budgeted at **\$3,400**.

Electric Service: The line item covers the cost of providing electric service to the lift station. **\$3,000** is budgeted.

Lake Worth Utilities: Charges for this service vary greatly from year to year. Charges are calculated by a per gallon charge, as well as a pass-through charge for capacity. The pass-through charge is being paid by the Eau Palm Beach. Budget proposed at **\$172,255**.

Repairs & Maintenance: General maintenance to lift station, Roto-Rooter, pipe maintenance, some valve replacement, general painting, etc. Staff recommends funding **\$14,000**.

Sewer Administration Fee: Management fee to cover costs associated with management staff, office space and equipment. Staff recommends funding **\$18,000**.

Renewal & Replacement: This is a capital outlay account and is not balanced with operational income. It is used primarily for unexpected repairs and replacements; piping replacements in and around the lift station, and long-term renewal funding. Staff recommends this line item be funded at **\$42,500**.

DISTRIBUTION DEPARTMENT EXPENSE OVERVIEW

This department maintains the operation of field operations which includes repairs to water breaks, fire hydrants and maintenance of the system.

DISTRIBUTION DEPARTMENT

Salaries: The 2025-26 budget reflects a 7% raise for employees. Funds provide salaries and on-call pay for one (1) full-time distribution operator.

Overtime: Compensation for non-exempt employees that exceed 40 hours per week. The plant is manned sixteen hours per day; after hour emergencies at the plant, and water line breaks account for the largest portion of this expense. Staff recommends funding at **\$7,000**.

Professional Fees: These funds are provided for projects that require outside consultants such as engineering services, planning services, feasibility studies, etc. Funding recommended at **\$30,000**.

Repairs & Maintenance: General maintenance to lift station, Roto-Rooter, pipe maintenance, some valve replacement, general painting, etc. Staff recommends funding **\$32,000**.

Renewal & Replacement: This is a capital outlay account and is not balanced with operational income. It is used primarily for unexpected repairs and replacements, piping replacements in and around the lift station, and long-term renewal funding. Staff recommends this line item be funded at **\$32,000**.

Operating Supplies: This line item as well as Repairs & Maintenance has the greatest potential for fluctuation due to the possibility of major unanticipated expenses. Samples of operating supplies covered are meter and piping supplies, fire hydrant repairs, and maintenance. Recommend line item be funded at **\$5,800**.
